## From Business Suits To Tennis Shoes

**Teams consists of four to six persons and each event requires four to participate. All teams must include at least one member of each gender. Teams are encouraged to show spirit and make/wear own team shirt.**

Please see below for the Corporate Challenge events:

### **1. Burpee Ball**

Bump, set, spike. This activity is like volleyball, but with a heavier ball, blocked wall and physical activity.

### **2. Football Relay**

Down, set, hut. Four-person teams practice their agility and endurance with this football relay race. From tackles to fumbles, it's time to show off your all-star talent.

### **3. Shootout**

Wait for the whistle and then get to kickin'. Let's see how many soccer balls you can kick into the net from different distances in under two minutes.

### **4. Speed Golf**

Teams compete in a timed race to make as many accurate putts as possible. The better the putt the better the score. Points are determined by the number of putts made in the 9-hole challenge.

### **5. Tic Tac Toe**

Tic tac toe, three in a row. This activity isn't as physical as it is mental! You'll have to strategize if you want to get all of your x's or o's in a row.
